## Pipework Design, Fabrication and Installation

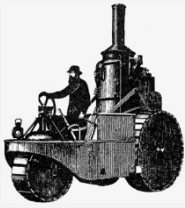

Over the years we have fabricated and installed numerous pipeline systems including water, gas, oil and steam. We have taken on some complicated fabrications successfully, and welcome enquiries of such nature. Our pipework services include:

- ▶ On site and Off Site Pipe Fabrication Services
- ▶ Carbon & Stainless Steel Services
- ▶ Pipework Design Capabilities
- ▶ MMA, MIG and TIG Welders
- ▶ Pipe Lagging & Cladding carried out to a high standard

The company has undertaken all types of pipework projects in the past across various industries. These have included:

- ▶ High/Low Pressure Steam Pipework
- ▶ Condensate Pipework
- ▶ High/Low Pressure Hotwater Systems
- ▶ Stainless Systems for Food & Drink Industry
- ▶ Bio Fuel Applications
- ▶ Manifolds

"I have to admit that when I was told that the installation would take three days from start to finish I was a bit worried. True to your word, however, the work was completed on time causing very little down time."
